Country & Western Party

Happy Times!

Here at Mearns View Care Home, we hosted a lively and entertaining Country and Western party for our residents and family members. The event was a fantastic success and we thoroughly enjoyed the themed celebration. Yee-Haw!

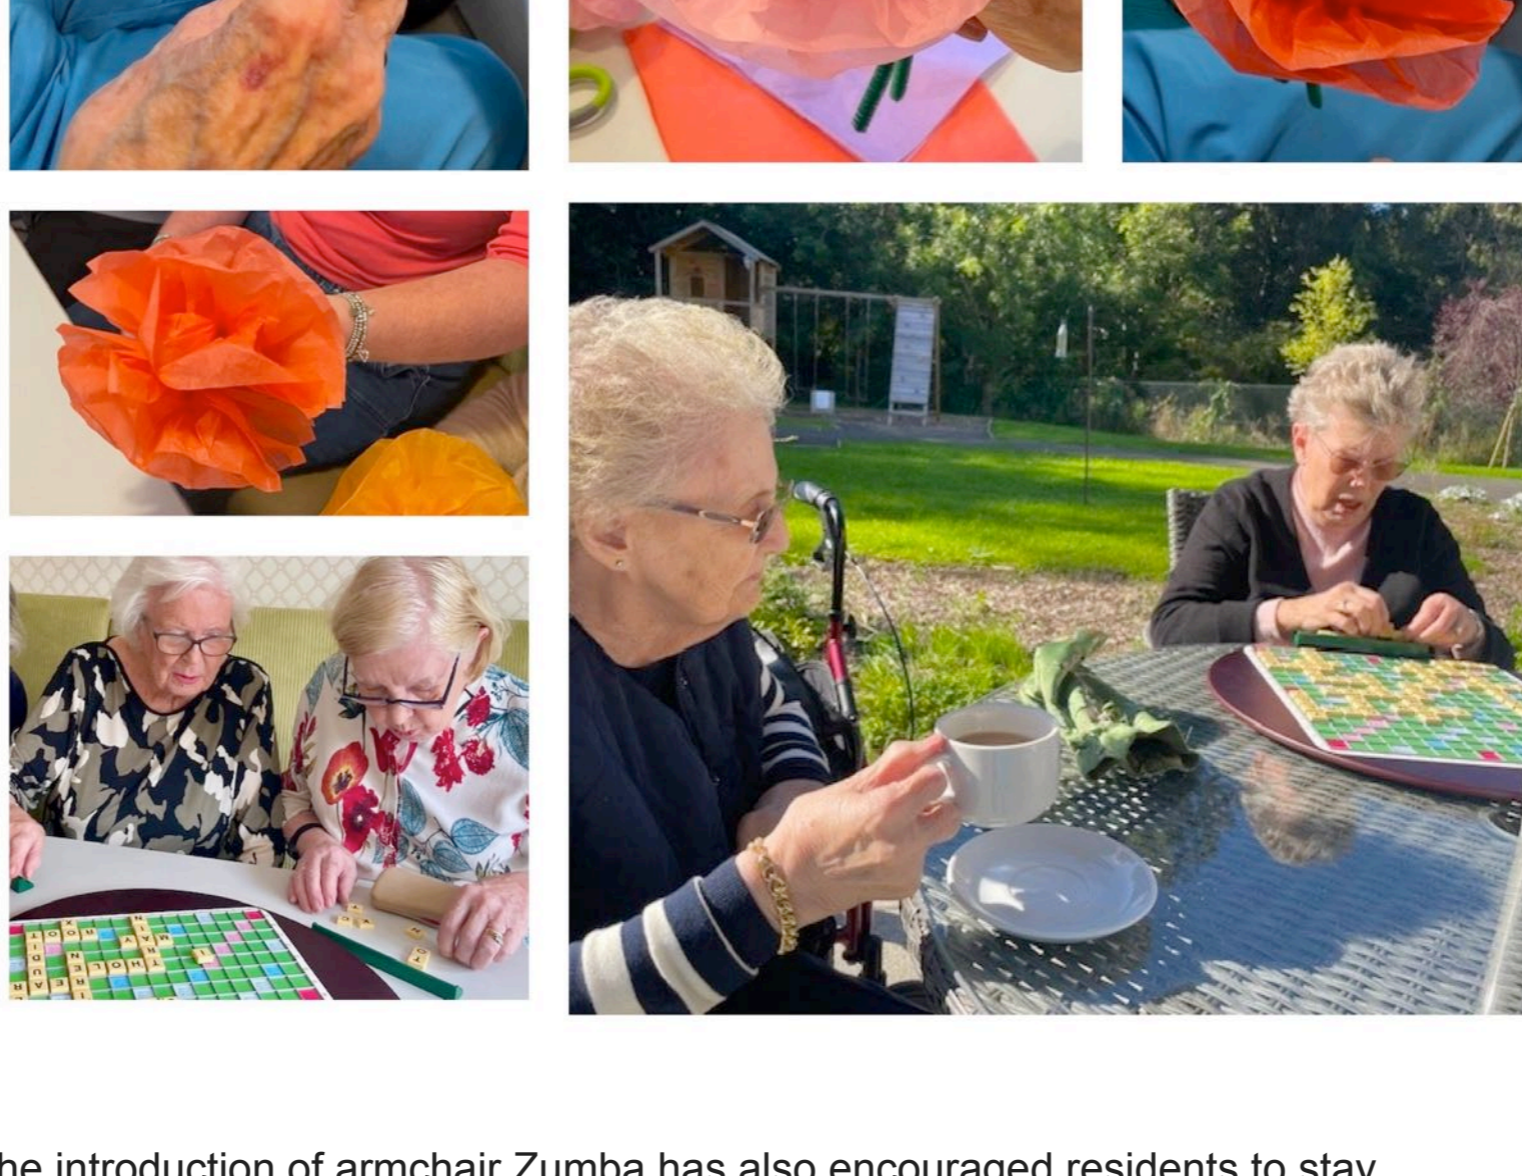

Recent Activities

Keeping Busy

Our regular arts and crafts sessions and board games have provided opportunities for creative expression and social interaction for our residents.

The introduction of armchair Zumba has also encouraged residents to stay physically active and maintain their mobility.

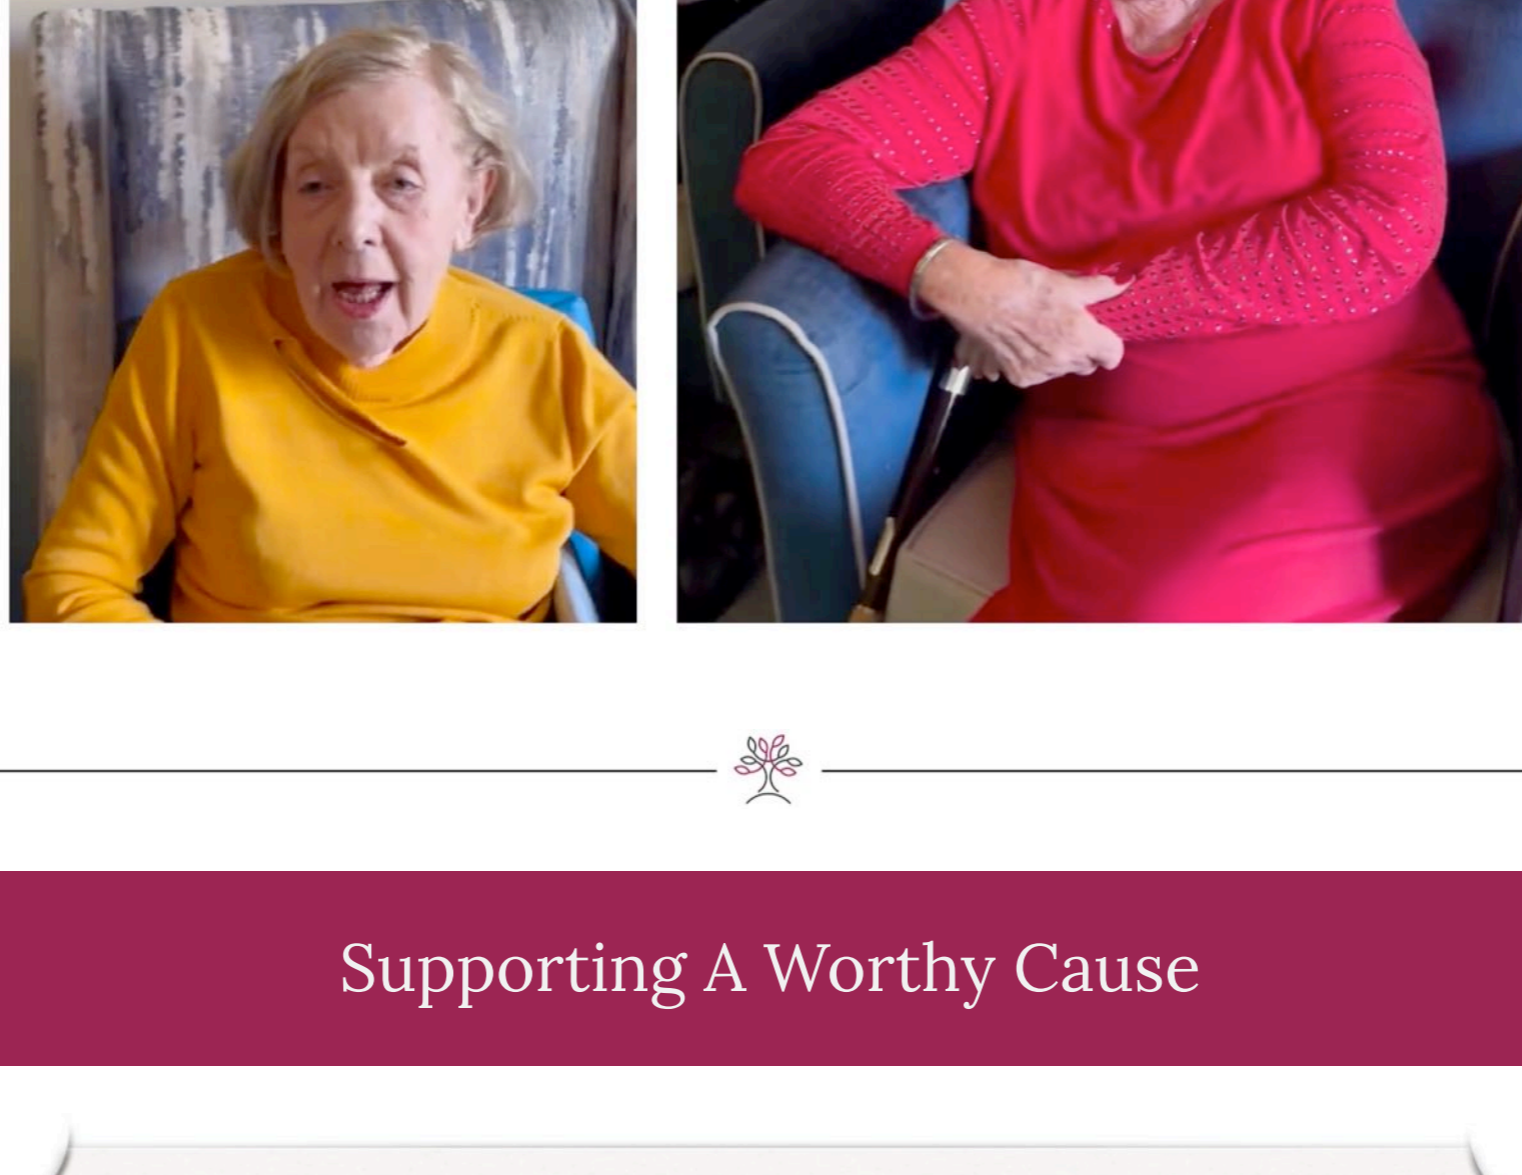

The Importance of Music

Toes Tapping

The importance of music in promoting mental, physical, and emotional well-being cannot be overstated. At Mearns View Care Home, music plays a vital role in enhancing the lives of the residents. Through sing-a-long sessions and themed parties, music serves as a powerful tool for fostering a sense of community and togetherness among the residents.

Our residents also love to sing... So our weekly sing-a-long sessions have been a source of joy, with recent renditions of songs like 'Somewhere Over The Rainbow' being particularly well received.

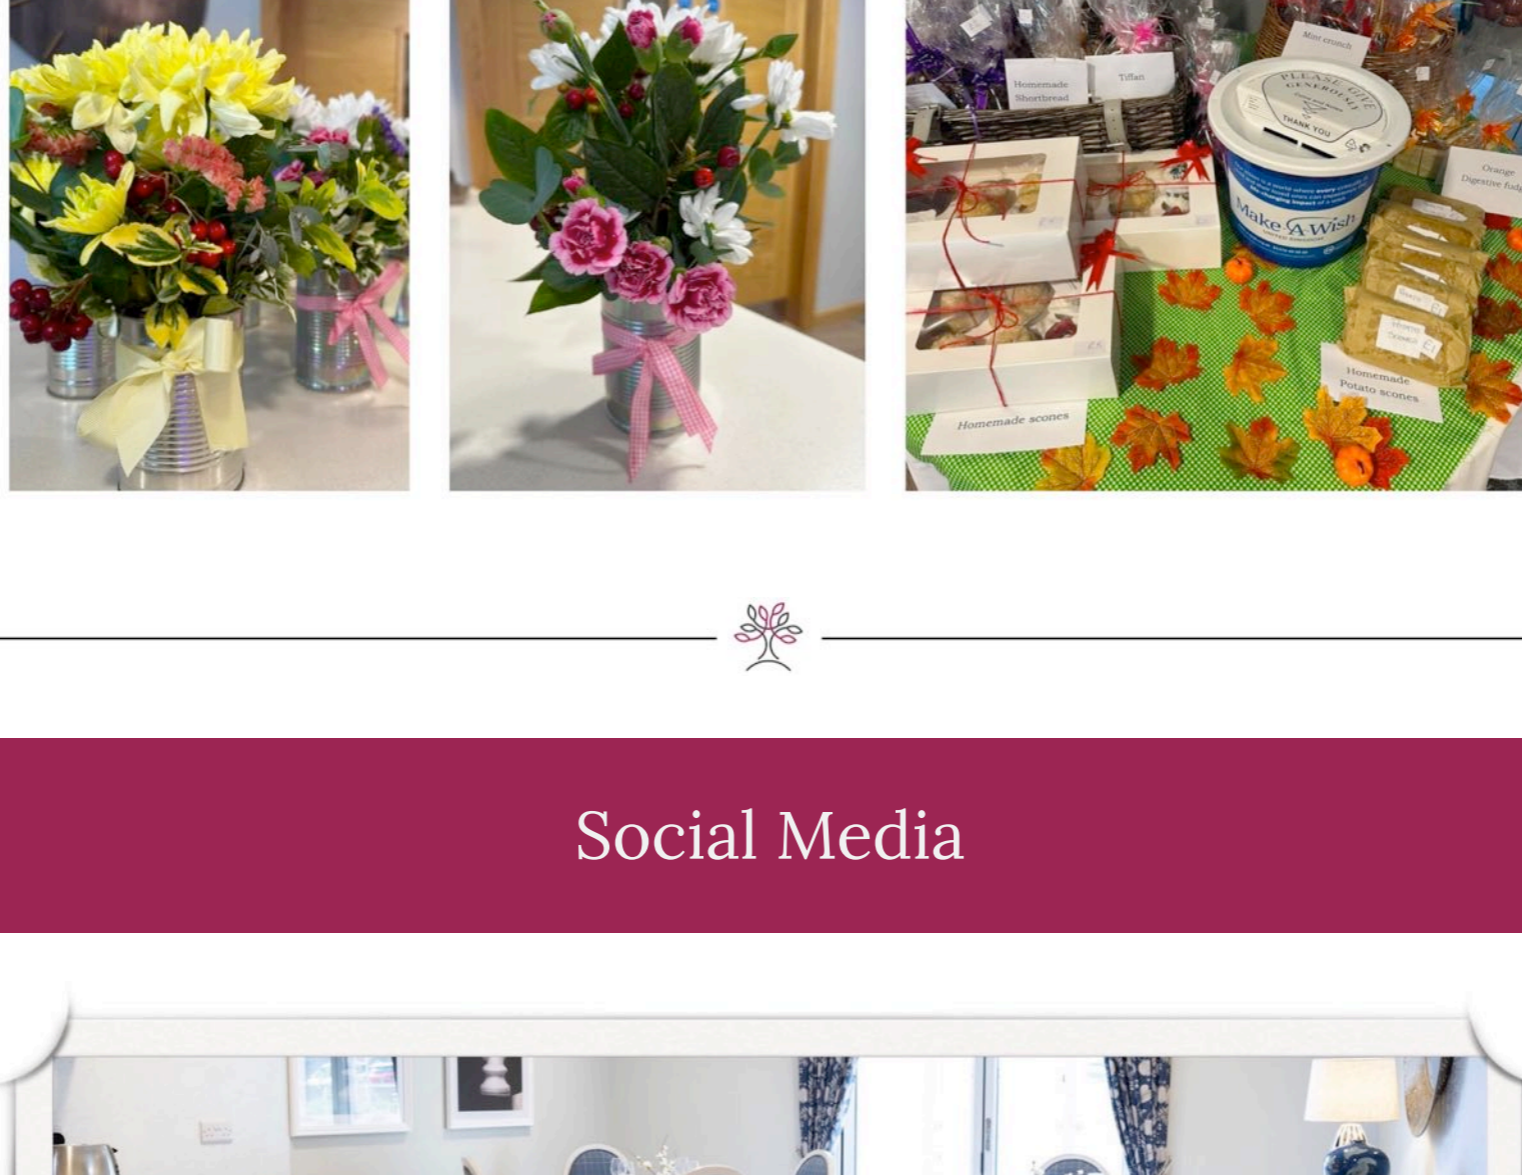

Supporting A Worthy Cause

Fundraising Event

We have been actively involved in fundraising efforts to support Make-A-Wish UK, a noble cause aimed at granting the wishes of children with critical illnesses. We have organised various fundraising events and activities, such as selling home-baked goods at the reception, offering reflexology, Indian Head Massages, and selling donated flowers to raise funds for the cause. All proceeds from these initiatives have been directed towards supporting Make-A-Wish UK.

We welcome any additional support from relatives or organisations, whether through donations or fundraising ideas, any contribution to this worthy cause is greatly appreciated.
